

LIMASO

*High quality home
textiles from Ukraine*

We are a manufacturer and exporter of quality home textiles from Ukraine. We produce tablecloths, table runners, placemats and napkins, decorative cushion covers and all kinds of kitchen textiles. We use only high quality fabrics made by trusted manufacturers from the European Union.

Limaso produces serial products as well as those designed according to individual orders. The company guarantees perfect sewing and finishing by experienced employees. Design studio of the company continuously creates new collections of textiles, tests new fabrics and accessories, thus implementing modern European tendencies of home textiles industry. Usually, we create three big collections per year: Christmas, Spring&Easter and Summer&Autumn.

Our Gallery

Each year Limaso exhibits at the main international trade shows and fairs of interior decor in Europe - Christmasworld (Germany), Objet&Maison (Paris), L'Artegiano in Fiera (Italy), Home Decor (Poland). We deliver our goods to the European customers from our warehouse located in Poland, which greatly simplifies the logistics.

Cooperation offer

Limaso is interested in establishing a long-term and mutually beneficial cooperation with European companies operating in textile business. We are looking for reliable distributors who would either buy our products or for whom we would produce goods under "private label" format of cooperation.

Important: our main office and production facilities are located in Ukraine, but we ship the goods for our European customers from our Polish warehouse. It is as if you would buy the goods from a Polish company.
